

Montana TRIO ACHIEVEMENT GRANT APPLICATION

PLEASE PRINT CLEARLY OR TYPE

GRANT INFORMATION

The Montana TRIO Grant is a one-time award of \$1,500. This grant will be awarded to the first 230 applicants that meet grant **eligibility requirements**. This grant is disbursed directly to the student's institution of higher education. The grant may be used to cover the student's cost of attendance (tuition, fees, books, room, meal plans, etc.) at any U.S. accredited college or university that awards an associate's degree or higher.

APPLICATION PROCESS

1. Read the **eligibility requirements** to determine if you are eligible to apply for an Achievement Grant.
2. Complete this application.
3. Attach your 7th semester transcript.
4. Mail signed application and additional materials **no later than March 1, 2023**. Applications will be reviewed as they are received. Award distributions will be September to October 2023.

Call: 406-449-9142

Email: mmadden@montana.edu

Mail To: MT GEAR UP Scholarship Department
PO Box 203201
Helena, MT 59620-3201

ELIGIBILITY REQUIREMENTS

To be eligible for an Achievement Grant you must:

- Be enrolled in a TRIO Talent Search or Upward Bound Program before or during your junior year of high school.
- Be a participant in a TRIO program at the time of high school graduation.
- Maintain and graduate with a minimum cumulative grade point average of 2.0.
- Have completed the Free Application for Federal Student Aid (FAFSA) and be Pell Grant eligible.
Note: check your SAR (Student Aid Report) to determine if you are eligible to receive Pell funds; final determination of Pell Grant eligibility will be confirmed by the campus prior to disbursement of funds.
- Be on track to complete the Montana University System college preparatory curriculum as evidenced by your 7th semester high school transcript. **The college preparatory requirements must be met and authorized by graduation to receive funding.**

Montana University System - College Preparatory Requirements

Mathematics: 3 years Courses shall include Algebra I, Geometry, and Algebra II (or the sequential content equivalent of these courses). Students are encouraged to take a math course in their senior year.

Note: In schools where a student may take Algebra I in the 8th grade, the student must still complete 3 years of math in high school.

English: 4 years In each year the content of the course should have an emphasis upon the development of written and oral communication skills and literature.

Lab Sciences: 2 years One year must be earth science, biology, chemistry, or physics; the other year can be one of those sciences or another approved college preparatory laboratory science.

Social Studies: 3 years The courses shall include Global Studies (such as World History or World Geography); American History; and Government, Economics, Indian History, or other third-year courses.

Note: Students must complete a full year of Global Studies such as World History or World Geography, a full year of American History, and an additional year in another social studies field such as economics, psychology, sociology, tribal government, or Indian History.

Electives: 2 years World language (2 years preferred), computer science, visual and performing arts, or vocational education units which meet the Office of Public Instruction guidelines. (Such as Information Technology or Computer Science.)

This section MUST be completed by your high school counselor or designee for verification of college preparation courses. Is this student on track to meet the requirements of the Montana University System College Preparatory Requirements by the time of graduation? Please check one: Yes No
